

## Heart Weakness.

Dr. Miles' Heart Cure has made many hearts well after they have been pronounced hopeless. It has completely cured thousands, and will almost invariably cure or benefit every case of heart disease.

Short breath, pain around heart, palpitation, fluttering, dizzy, fainting and smothering spells should not be neglected. Take Dr. Miles' Heart Cure and see how quick you will be relieved.

It cannot make a new heart, but will restore a sick one by strengthening the heart nerves and muscles, relieving the unnatural strain, and restoring its vitality.

"I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing and feeling bad all day; in the afternoon I was plowing one row I had to lay down, or fall down, three times. My heart throbbed as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Previously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerably for an old man, 54 years old."

H. B. McCall, Frost, Ohio.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

## Mixed Packages.

A young man went with his sister to a dry goods store. He purchased a pair of gloves for his sweetheart. The sister purchased a pair of hose for herself. Of course the clerk got them mixed. The explosion came when the sweetheart opened the package and found a pair of long black stockings. She blushed, then she opened the note and read the following tender lines: "I am sending you a little present. O, how I wish that no other hands than mine would ever be permitted to touch them after you put them on, but alas, a score of fellows may touch them when I am not by your side and many eyes may see them when you are on the street or at parties. I bought the longest pair I could get and if they are too long you may let them wrinkle down. A great many girls I know wear them slipped down a little. Always wear them at parties. I want to see how they fit when I call Tuesday evening. You can clean them on till they are dry. I hope they are not too small. Blow in them before you put them on." The young man did call Tuesday evening "to see how they fitted" but it is understood that he failed to win a home—Exchange.
